Participant Information Sheet   *AE2GRP Software Engineering Group Project*

Dear Participant,

Thank you for agreeing to participate in this questionnaire survey in connection with my Undergraduate coursework at the University of Nottingham Ningbo. The project is a study of Software Engineering and various different aspects of group working, The former include engineering requirements, system architecture and design, user interface design, implementing a medium sized, multi-component system, systematic testing and debugging, programming in a team, and use of software engineering tools. The latter include running meetings, making collective decisions, time and people management, writing reports, giving presentations, interpersonal skills, and resolving conflicts. The group project module runs for the whole of the second/third year and is worth 20 credits.

Your participation in the survey is voluntary. You are able to withdraw from the survey at any time and to request that the information you have provided is not used in the project. Any information provided will be confidential. Your identity will not be disclosed in any use of the information you have supplied during the survey.

The research project has been reviewed according to the ethical review processes in place in the University of Nottingham Ningbo. These processes are governed by the University's Code of Research Conduct and Research Ethics. Should you have any question now or in the future, please contact me or my supervisor. Should you have concerns related to my conduct of the survey or research ethics, please contact my supervisor or the University's Ethics Committee.

Yours truly,

<Team ACE>
